But it's more than a catchphrase;

04

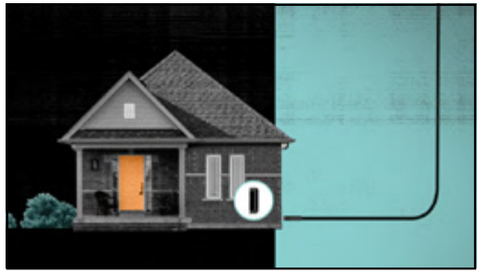

it's the heart of everything we are.

05

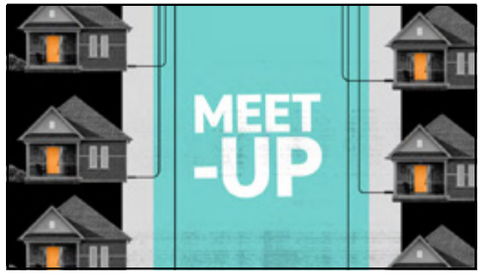

It starts when a TekSavvy customer connects to the internet, the first step is to connect to their home router.

06

From there, wires run out of the home to the street,

07

where they meet up with wires from your neighbours' homes.

08

These groups of wires are gathered together at central hubs in your neighbourhood, town or city

What's Inside Topher Grace's Cool 'Cereal Prize'?

By David Weiner 12:15 PM PST, February 6, 2014

Wanna talk to Topher TODAY on Twitter? Submit your #AskTopher questions on @ETonlineAlert for our live Twitter session at 2 p.m. Pacific with Topher Grace.

Most celebs these days post semi-naked selfies on Instagram or wax poetic in 140 characters or less on Twitter, but Topher Grace has taken his personal musings to the next level with his brand-new Web site that launched today, **Cereal Prize**, and the content he's sharing - personal stuff and stuff he simply thinks is really cool - lures you down into a veritable pop culture rabbit hole...

The "That '70s Show" star premiered his new project Cereal Prize on Thursday.

Topher Grace is setting his sights on the web.

The former *That '70s Show* star has launched Cereal Prize, a pop culture website curated by Grace that will feature sketches, re-edited movie trailers, unaired pilots and previously unseen extras. *The Hollywood Reporter* has learned. Created and edited by Grace, Cerealprize.com launched Thursday morning.

Examples of aggregated and original content visitors can expect on the website, updated on the weekdays, include a **Jay Z**/Radiohead mashup album, a lost outline for *E.T. 2*, a trailer for one of Grace's upcoming films and the best '90s bands that never existed (i.e. Jesse and the Rippers). Content is filed under categories such as Great Shit, Funny Shit, Music, Trailers, Short Films and
